Student Profile: Amer Taleb

My name is Amer Taleb. I am an Arizona Assurance Scholar and a member of the program's Xpress U team. I'm a junior studying journalism, a degree I chose because of my passion for reading, writing and telling stories. I've been fortunate enough to work for the Arizona Daily Star, Arizona Daily Wildcat, Arizona Public Media, the Associated Press and have won several awards for my work. Everything I've done and who I'll become is thanks to the incredible people that make Arizona Assurance possible.

My sense of gratitude for the people that make Arizona possible is what's driven me toward working for them as a reporter. Myself and Felix Va-

vences, another Assurance Scholar, make up the core of the Xpress U team that documents the stories of Arizona stu-

dents. If we're able to in-

vite you to share your experiences and be fea-

tured in one of our up-

coming newsletters!

"Some of the most brilliant, funny and inspiring people I've interviewed were Arizona Schol-

ars. I'm very much looking forward to meeting you all. Please consider sharing your story by taking a moment to fill out a short form. Thanks for taking the time to read this introduction, we look forward to hear-

ing your stories!"
